Your complete guide to this issue's **BONUS VIDEOS**

This issue comes with 10 full-length bonus videos: nine that match the pictorials in this issue plus one hot hardcore scene of Gigi Rivera from the *Bendy & Boneable* special.

As always, these videos are totally free with no strings attached. They can be played on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. You can stream them or download and save them forever. No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take **18eighTeen** anywhere you go.

Here are the highlights of this issue's bonus scenes.

Ariel Grace doesn't mind if you watch porn. It turns her on so much when she walks in on her brother's friend watching a porn, she decides to make her own sex scene with him.

Aria Banks is bored at home. When jumping on the bed gets old, she starts playing with her pussy. First she pulls her panties up into a front wedge, then she puts her legs behind her head and stretches her pussy open.

Amber tries to do her homework, but her mind keeps wandering. She's thinking about her crush, and she demonstrates what she wishes he'd do to her body. Also, she's a real redhead with the pubes to prove it.

Eliza Eves has a boyfriend, but he doesn't satisfy her. Tyler, on the other hand, makes her cum hard. So she invites him in after her boyfriend is gone to passionately blow him and sit

on his cock. Then he gives her a nice, creamy facial.

Alicia Williams has been struggling at school. So her parents got her a tutor. Little do they know that all he's going to teach her is how to take a big, hard cock and a sloppy cum shot.

From the *Bendy & Boneable* special, Gigi Rivera is a cute and flexible teeny-bopper in white cotton panties. She gives us a long, sensual tease, gyrating her lithe body and running her fingertips over her skin. Then our stud arrives to give her tender pussy some attention. She handles the pounding like a pro, yelling for him to fuck her harder.

Megan Holly is a blonde with C-cup tits and braces. She's sucking on her lollipop and slowly rubbing her pussy over her panties. Her slit is just as sweet as the candy that's in her mouth, and so is the cum that leaks out of her as she masturbates.

Lulu Chu is back and she's feeling frisky. She sniffs her panties and the smell of her pussy turns her on so much that she rubs one out.

It's New Year's Eve and Mabel is ready to party. But not with a champagne toast—she is only 18! She wants to have a pussy party. And that's exactly what happens as she fingers herself into the first orgasm of the year.

Candy White is a sexy cheerleader waiting for her boyfriend to come over and fuck her. She has a tight body and meaty pussy—both of which look amazing as she gets pounded.

Dicked Danni

Dear Virgin Territory,

I love seeing younger girls with older guys and found Danni's pictorial in Vol. 22 No. 6 to be extra hot. She's a total seductress. Her pale, round booty is just begging to be spanked. That guy she's with is smart—he ate her pussy. You always have to eat the pussy! First of all, teen pussy is delicious. Second, if you work her well with your tongue she'll work your cock well with her pussy. Which was definitely the case

This is the face of a girl who is thoroughly enjoying her dicking.

with Danni. She was clearly primed for sex and rode him like the little slut she is. Lots of hot shots and a great facial. Please keep bringing us more pictorials like this one!—L.B., Beal City, Michigan

Dear L.B.,

Did you get a chance to check out Danni's free video that came with the issue? If you missed it, you can also see that scene online at 18eighteen.com.

Chanel was the perfect choice to pair with an older man in XXX.

A Young & Old Classic

Dear Virgin Territory,

Chanel's pictorial in Vol. 23 No. 1 was a masterpiece. The older man and younger girl theme is always hot, and it works especially well with the guy being dad's friend. Sometimes you pair teens with a guy in their 30s, but the effect just isn't the same. We want to see 18- and 19-year-old girls with guys in their 40s through 60s. In this case, Chanel and the man she was with were the perfect pairing.

One thing I particularly enjoyed about this layout was how Chanel was completely nude and the guy kept his clothes on. It gives the impression of Chanel being extra vulnerable and exposed. I could only imagine that her pussy juices soaked his pants. He had a wedding ring on; imagine going home to your wife like that! This teen temptress seemed to thoroughly enjoy the way he plowed her meaty pussy. The centerfold photo was a gem, with her pussy jammed full of thick, older man meat.

Chanel got a great facial at the end. I loved seeing all that cum all over her face. She's a cute girl, and somehow she managed to look even cuter

with semen dripping off her cheeks and chin and onto her flat chest. Let this set be the standard for your future younger girl/older man sets. It was outstanding.—G., via email

Dear G.,

That was a great scene. Be sure to check out the free corresponding scene of Chanel that comes with the issue. You can find your exclusive access code on page 3 of the Vol. 23 No. 1 issue.

Brace-Faced & Proud

Dear Virgin Territory,

Mabel from Vol.

31 No. 1 is hot.

There were so many wonderful shots of her in her layout. In just about every photo we see her smiling brace-face.

Sometimes girls with braces are reluctant to show their metal because they're self-conscious about it. But

braces are sexy, and it's even sexier when a girl proudly displays her tinsel grin. I would love to see Mabel get her braces covered in cum, and I hope we get to see that soon.

I like the photos of Mabel on page 20. I enjoy the flexible ballerina pose and the photo of her touching her toes. She seems to be pretty flexible, which is also a huge turn-on. And what a marvelous butthole Mabel has! Her starfish is truly immaculate. I imagine that she's spreading it just for me, so I can slide my tongue in and give her the rimming of a lifetime. Her pussy also looks delectable. I would love to lick it and fuck it while she's in the backbend position on page 24. I've never done anything with a girl in that position and it looks like it would be fun to try. Thank you for the creative and unique poses featured in this layout. And thank you for bringing us the lovely Mabel. I hope we'll be seeing more of her soon, as I could never get tired of looking at her.—Z.R., Reno, Nevada

Dear Z.R.,

Unfortunately we did not shoot Mabel in hardcore, but she has another solo pictorial in this issue. Turn to page 78 to check her out.

Buns On A Boat

Dear Virgin Territory,

It's about time you shot a teen out on the water! You are located in Miami, and I want to see girls in tropical and beachy settings. I very much enjoyed seeing Emma out on a boat with what is presumably downtown Miami in the background in Vol. 23 No. 1. A teen pussy is always awesome, but it's even more awesome when it's exposed to the open air and sunlight. I wonder if any other boaters saw her shoot and caught a glimpse of this tight teen cutie. What a treat for them if they did.

As for Emma, the combo of her tiny tits and itty bitty waist are to die for. She has a banging body and is exactly the kind of cutie you want to see scantily clad (or totally nude) out on the water. Emma is a total boat babe. Although I hope she wore sunblock, as she is very fair skinned and

looks like she would burn. It would be hot to see her in a bikini tanning so she gets some sexy tan lines though. Next up can we see Emma fuck on a boat? That would be amazing. And for future reference please shoot more girls on boats, in the

Emma looks even more lovely with the Miami skies behind her naked body.

water and at the beach. Take advantage of your sunny location!—A.R., Columbus, Ohio

Dear A.R.,

Emma didn't shoot hardcore on a boat, but she did suck and fuck on a bed. You can check out that pictorial in the Vol. 23 No. 2 issue. Order the back issue on page 11. We do have a hardcore pictorial of Dylann fucking on a boat that will be featured soon, so keep your eyes peeled.

Stretched To The Max

Dear Virgin Territory,

I don't know how Lulu managed to take JMac's cock, but god bless her. His massive meat pole barely fits in her mouth. And her pocket-sized pussy looks absolutely stretched out once he slides his cock in. I can only imagine how pleasurable it must've felt for both of them to fuck each other. Lulu, for being stretched out by a huge cock. And JMac, for feeling

such a tight, fresh pussy squeezing his shaft. In most of the photos, it looks like Lulu wasn't able to take the entirety of JMac's shaft in her pussy, which is understandable. It's still hot to see her taking in his first few inches and moaning with pleasure.

Her facial photo was great. JMac gave her a nice, big load all over her cheeks. Something else I would like to see is Lulu getting a sloppy creampie. It would be so arousing to see her squeezing cum out of her tight Asian pussy and watching it drop down her taint to her perfectly round, little ass. Thanks again for such a hot hardcore layout.—M.K., San Jose, California

looked very skimpy and flattering. I love seeing teens in tiny, barely-there bikinis. And of course, Eliana looked great naked, too. She has the perfect teen body and her face is adorable. I would love to suck on those perky, little tits and I would go to town on that pink pussy of hers. Eliana has a perfect pussy and butthole. I could have my face buried between her legs all day.

I jacked my dick and came to the photo on page 81 of Eliana. I imagined sliding my cock into her slit with her legs up and closed and feeling how tight and wet her pussy would be. I'd grab her by the hips and ram her down on my dick, making her squeal and soak my balls with her girl juice. After banging her and making her cum, I'd blow my load deep inside that beautiful pussy of hers, making sure she feels every pump of my dick and gets every last drop. It's safe to say that I thoroughly enjoyed Eliana's layout. I'm about to go enjoy it some more.—K.D., Durham, North Carolina

Allie Gets Fucked

Dear Virgin Territory,

Allie is so fucking hot my balls can barely take it. When I saw she did hardcore in the Vol. 23 No. 1 issue, I went straight to her pictorial. Man, I was not disappointed. Allie looks so sweet and innocent, but also so dirty taking that cock. Those photos

turned me on so much I had to check out the free video of her. I was skeptical at first, but it's the real deal. And Allie's scene was so fucking hot. This is an incredible value to add on to your magazine. Allie may be tiny, but she took that cock and that load like a champ.—E., via email

**Dirty girls like
porn as much
as guys.**

Some girls might be grossed out to catch a guy watching porn, but not Ariel. In the video for this scene, she walks in on her brother's friend doing just that, and it turns her on, especially when she sees his hard-on bulging through his pants. She goes for his cock, eagerly sucking and jacking it.

Ariel doesn't just watch porn. She makes it.

Ariel climbs on top and bounces her ass up and down as she rides his cock, leaving his shaft glistening with her goo. We get to see her slender body and tiny tits as she gets fucked every which way. And judging by the sound of her moans, this guy is hitting the spot. In the end, she lays back to happily take his seed all over her tongue and face. Aria's sweet smile and bubbly personality remind us of the girl-next-door. The kind of neighborhood girl who smiles and waves at all the older guys and walks her dog wearing tiny shorts and skirts. The girl who looks wholesome but likes to masturbate in front of her window with the shades open. "I walk around the house totally naked, passing every window, hoping that someone sees me."

Have you ever been caught naked?

"Yes, and that's how I realized it's a turn-on for me. I was getting ready for school in the morning and I jumped out of the shower naked and walked through the house. I didn't realize the pool guy was outside, but he totally saw me. I kept thinking about it all day and it made my pussy wet."

What was his reaction to seeing you?

"I noticed he had a smile on his face and he was pitching a tent. I was embarrassed because I was caught off-guard, but I also wanted to go outside, pull down his shorts and suck his cock. I always masturbate thinking about his shaft in my mouth."

Summer Rains

**An unlikely romance begins
one wet evening**

By John Boucher

Summer rains catch people off guard. Sometimes you go into a store for a few minutes and when you come back out, you find it has rained while you were shopping. Other times, you come back out and find that a storm is just approaching.

"Fuck!" Mia swore, looking across the parking lot in the direction of her house. She had put off going to the store just in case it started to rain. It hadn't, so she had taken the chance and ridden her bike. Now, two miles away, her neighborhood was being battered by a storm that would reach her location within the next few minutes. "Fuuuck," she repeated as a roll of thunder rumbled around her.

"Do you need a ride?" asked an up-beat masculine voice beside her. A man had just exited the store behind her and was also looking at the approaching storm. But, while she was frowning, he was smiling.

Mia looked at him. An older man, about her father's age, offering her a ride? He didn't look like an axe murderer. Nor was he quite Harrison Ford. Still, he was tall, fit, dressed business casual like most white-collar workers do on Fridays these days. The sort of older man who makes teen girls' hearts flutter. The topic of late-night conversations at hundreds of slumber parties.

"If you have anything frozen, you probably can't wait it out," he warned. He knew she had frozen items. He had been watching her select ice cream-double fudge brownie, in fact. She had been bent over, reading the cartons, when he had been mes-

merized by the sight of her ass in tiny denim shorts. The desire to hold her and caress her shapely buns had nearly shut down all his other brain functions.

Mia assessed the man further. His offer was tempting, possibly an opportunity to experience forbidden pleasures she had only dreamed about in the past. Did the potential outweigh the risk?

Mia mentally flipped a coin, knowing it would turn up heads, the outcome she wanted. Now that she was 18, this adulting thing was turning out to be pretty easy.

"Sure, but only if you can fit my bike in your car too," she answered after another moment's thought.

The man thumbed a button on his car key and the rear hatch of a nearby SUV began to hum open. "I'll take your groceries, you get your bike, and I think we can load up before the storm hits," he said.

He had stowed her groceries along with his own by the time she had wheeled her bike over. He lifted it inside and the hatch was closing as the first fat drops of rain started to hit them. They quickly got into the car and she gave him directions to her house.

"Fucking rain," Mia swore glumly as the SUV sloshed through puddles, wipers beating away at the deluge. She fluttered the front of her blouse, trying to dry it.

"I love summer rain," the man stated, still up-beat. "Good things happen when it rains."

Mia grimaced and continued to sulk. After a minute, she turned to him and asked, "Were you checking out my ass in the ice cream aisle?"

"Yes," he said. "You have a fabulous ass. I couldn't help but gaze upon its perfection with wonder."

That made her laugh. "I saw you fondling the oranges in the produce aisle," she teased back. She was starting to warm up to this man she had only just met.

He held up a hand, formed as if to grasp an orange, "They fill my hands just perfectly."

After some renewed laughter, she managed to say, "Now you're talking about my boobs, aren't you?" She studied his face, unable to make eye contact while he concentrated on driving through the storm.

"Yes. While you were sizing up

the bananas, I was sizing up your boobs. They look as delightful as your ass."

Mia smiled. She had been sure he was checking her out in the store. Why else would she need two whole minutes to select double fudge brownie ice cream? Spotting him again in the produce aisle had given her the idea to tease him by

stroking a banana she had selected. Mia knew that older men checked her out. She knew that tiny shorts and a loosely tied blouse over a cropped camisole would get their attention. And, with her firm, young B-cup breasts, she rarely wore a bra. She had dressed this way today to tease any men who were shopping at the store after work. But she had

never dreamed that she would go beyond teasing. Now the thought of this man's hands caressing her breasts had turned her on and started moistening her pussy. She was supposed to be peddling her bike home right now. So why was she riding in his car and showing him where she lived?

"The next house, on the right, here, just pull into the driveway," Mia instructed as they neared her home.

He parked the SUV and shut off the engine. The storm was moving on, but a few drops were still plopping intermittently on the roof.

They sat for a minute and listened to the sound of the storm diminishing into the distance. Mia wasn't sure what she wanted to happen next. Half her mind told her not to be such a slut while the other half reassured her that it's not being a slut when the man is this good looking.

He had been a perfect gentleman so far. Should she invite him in and see where this chance encounter would lead? Or send him on his way and forever wonder what might have happened this stormy summer evening?

Mental coin flip. Heads again. She'd invite him in.

"Here's the thing," Mia began hesitantly after steeling her nerves, knowing her parents would disapprove of her choice. She paused and made eye contact with him. "My parents are away for the weekend." Her heart pounded in her chest. Her throat constricted, as if to keep her from finishing her invitation. "W... would you like...to come in...for dinner?" she was finally able to ask. She wasn't surprised that he accepted, yet his acceptance made her smile brightly. Together, they got her bicycle into the garage and her groceries into the kitchen. She began getting things ready to prepare dinner.

"I was just planning on having linguini and jarred marinara with home-grown zucchini in it," she said while filling a pot with water.

"That sounds fine. Can I help?" he asked.

"Sure, if you want salad or garlic bread you can do that." She poured the sauce into a pan to heat and started slicing a zucchini.

The two chatted companionably as they prepared their meal together.

er. The salad required only a few minutes, then after setting the table, he stood behind her and began to caress her shoulders. The unexpected contact startled her and some sauce was splattered on her blouse.

"Fuck!" she cried in surprise. "Sorry, I...I wasn't expecting that is all. It's okay, really." She looked down at her soiled blouse with some despair. He kissed the back of her neck to soothe her nerves as he lowered the blouse down her arms. She watched as he expertly removed the sauce from the surface of the blouse and eliminated the stain before it had even had time to form. He hung the blouse up to dry.

She looked at him with renewed curiosity, thinking, "I guess if you're going to be picked up by a good-looking stranger, at least pick one who can make a salad and clean a tomato stain from a blouse."

"What?" he asked, noticing her thoughtful look. He shrugged. "My mother raised me right."

Mia knew the time for teasing and flirtation was past. But was she ready to cross that threshold and give herself to this man whom she had met barely an hour earlier?

Flip. Heads again. Imagine that.

She raised her arms above her head. "I don't want to get tomato

stains on my cami either," she managed to say with more confidence than she felt, hoping her courage would hold out long enough for him to remove it.

He had watched the girl's flat midriff come into view as the garment was lifted by the rise of her shoulders. She had a belly-button piercing as so many girls did today. Looking higher, he saw her hard nipples poking against the delicate material in invitation. She looked adorably cute and vulnerable with her arms raised, as if surrendering to her desires—to his desires.

He took the hem of her cami in his hands and lifted it up and off her slender frame as he moved in closer to her body. Her B-cup breasts were revealed to be as perfect as he had imagined in the store.

Their hands met above her head and he lowered his mouth to hers.

He kissed her. She returned his kiss tenderly. Her heart thrilled at the intimacy with a hint of naughtiness which that simple act embodied—standing bare-breasted in the middle of the kitchen, kissing a much older man. Knowing so little about him, yet desiring him so much. She kissed him hungrily as she shed her inhibitions and allowed herself to

At least when it comes to Amber, it is. We love her red schoolgirl skirt, her long, red hair and we especially love her red, trimmed pubes. "My pubes are proof that I'm a real red-head, so I don't shave them all the way off. I think it's sexy to have a little hair on top. Having a naturally red bush isn't too common, and I like being different."

We heard that you like girls. Is that true?

"Yes. One of my fantasies is to be tied up and dominated by a woman. I've fooled around with a few girls too. There was this one girl who hated my ex as much as I did. She always flirted with me in front of him while we dated, so we started fucking to piss him off. It was very fun and she was so pretty."

Girls know what they like.

Eliza likes Tyler's big cock. She has a boyfriend, but she doesn't like him too much. She also likes the way he slaps her ass and makes her squeal with joy. In the uncensored video, Eliza gives Tyler a passionate blow job, alternating between slow, deep sucking and fast bobbing—all while her eyes roll back.

Your boyfriend doesn't satisfy you, Eliza?

"He's kind of a prude. I'm super horny and I need someone on the same level. After my boyfriend leaves my place, I call up Tyler to make me cum. He's older, he has a huge cock and he's always down to fuck. Sometimes he pounds me so hard that I walk bow-legged the next day."

So you like to get fucked hard?

"I like a combination of slow and hard. After getting pounded for a while my pussy needs a little break. I'm really tight so I can only take so much. But I do like bursts of getting pounded so hard that I scream." Watch the free bonus scene using the access code on page 3.

Alicia has a blank look on her face when her tutor talks about school, but her eyes light up once his throbbing dick is out. Now he's got her attention.

Why did you like the tutor?

"I was getting big dick energy from him. There's something about him that seems like he really takes charge in the bedroom. Turns out I was right! I seduced him by rubbing his crotch till he got hard. His dick was freakin' huge once he whipped it out! I sucked it the best I could. I mean, it could barely fit in my mouth!"

How did his cock feel?

"It felt so big and hard. I could feel my pussy stretching, and it was a huge turn on. I got so wet I soaked his balls." Check out the XXX action in the free video that comes with this issue. Use the access code on page 3.

A full-page photograph of a woman with dark skin and long, curly hair performing a deep squat on a multi-colored shag rug. She is looking up towards the camera with a slight smile. A man's legs are positioned around her, with his feet planted on the rug near her feet. His hands are resting on her thighs. The background shows a bedroom with a bed, a poster of a city street, and a white beanbag chair.

You've got to love a girl who can spread her legs wide open. Alina drives her legs apart so that cock she's fucking can reach deeper inside her pussy. Lacey takes it up a notch by bringing her feet behind her head so her pussy is on full display as she takes a facial. And Cali lifts one leg high so her guy's tongue can taste the depths of her honey pot. Somaya keeps her legs closed, but that doesn't stop her from getting dicked deep while she touches her palms to the floor. That's no easy feat!

enjoy the experience.

He lowered his arms, his hands seeking out her breasts, those marvelous breasts. Sized like a pair of grapefruit halves, they fit his hands as perfectly as he had expected. Her hard nipples tantalized his palms as he explored her feminine contours.

Mia thrilled at the feel of his gentle caresses upon her breasts—the touch she'd been longing for since she had gotten into his car. "I think we'd better postpone dinner for a half hour or so," she said before kissing him again and beginning to unbutton his shirt.

"Just a half hour?" he asked with a smile as he watched her delicate fingers work their way down his torso.

"I desperately need to cum," she replied. "But your orgasm will have to wait until after dinner."

"I suppose that's fair," he said as he watched her unbutton the fly on her impossible shorts and begin to shimmy them down her legs. He hung his shirt neatly on a chair.

She struggled to get the shorts down her thighs. "I had pictured myself doing this more seductively when the time came after dinner. But, so horny I can't wait any longer."

Once she had finally freed herself of the deceptively treacherous shorts, she stood before him in just her moist panties. Her plans for the evening had originally only involved eating ice cream and masturbating while watching old movies with handsome leading men. Now here she was, about to give herself to a man she barely knew.

She dragged him to the living room couch, sat down, and slid her panties down her legs as she pulled her knees back to her shoulders, offering her bare pussy to him. "The sooner you make me cum, the sooner I make you cum. Tick-tock, time's a-wastin', mister."

Only an hour earlier, he had first noticed this girl bent over in the ice cream aisle and his cock had twitched at the seemingly unachievable fantasy of having sex with such a hot young woman. Yet now, against all odds, he found himself kneeling in her living room about to eat her obviously very wet pussy.

Her sex was moist with her dew

and deep pink with her arousal. Her delicate inner lips peeked out from the cleft of her outer lips. A narrow crescent of close-cropped hair adorned her mons to indicate her

pussy. He sucked her nub between his lips and her mind reeled in pleasure. He slid his tongue all the way down her lips to her hole and back up to encircle her clit again.

He sucked her clit more firmly, causing her to moan again and arch her back in pleasure. He worked a finger into her and began to seek out her G-spot.

with occasional long licks of her inner labia. The reality of eating this girl's pussy lived up to his earlier fantasy and he wanted to be sure that he pleased her in return.

"Oooohhh...fuck fuck fuck, yes!" she cried out. "Oh, fuck I'm gonna cum all over your face, mister."

He felt her hands caressing his head, pressing his mouth more firmly against her sex. Then she came and he held onto her quivering body and allowed her to enjoy her obviously powerful orgasm. Her vaginal muscles pulsed against his fingers as she rode the waves of her climax.

Lowering her legs to his shoulders and breathing hard, she relaxed into the afterglow. She caressed his hair and held his eyes with hers, smiling sweetly. "Fuck, I needed that. That was so fucking intense." They spent another minute enjoying each other's tender caresses. "Now we can have dinner," she eventually announced.

He helped her stand and pulled her into an embrace, her bare breasts pressed against his chest, while they kissed some more.

Following her back to the kitchen, he finally had a good look at the ass that had started all the trouble. The young woman before him moved with confidence, unlike the nervous girl who could barely summon the courage to invite him in earlier.

Upon re-entering the kitchen, she lifted his shirt from the chair where he'd left it and put it on before serving the linguini. He served the salad and they enjoyed their meal while continuing to get to know one another.

After dinner, he helped her clear the table and load the dishwasher. As she was cleaning the stovetop, he caressed her shoulders and kissed her neck.

"Mmmm..." she moaned in approval. She had looked forward to his touch all through dinner. The orgasm he had given her earlier had relieved her immediate need, but now she was ready for more.

She turned in his arms and they kissed. His hands found her ass and squeezed it while he pulled her tightly against his body as they fed their mutual hunger for each other.

She broke the kiss to undo his belt. His pants fell to the floor and she stroked his cock through his boxers. Her mouth watered as she lowered his boxers and it came into view.

Mia moaned at the first tentative brush of the man's tongue upon her

"Mmmm, yes, this will do very nicely, mister," she said before kissing him again. She led him to her bedroom and had him lie down on her bed. She continued to stroke his cock as she positioned herself so he would have easy access to her pussy while she played with his cock.

She felt him insert two fingers into her cunt and strum her clit as she licked all around his cock head. Cradling his sack in one hand, she took the head into her mouth and swirled her tongue all around it, enjoying the slick surface with its delicious coating of pre-cum. She stroked his shaft as she worked more of it into her mouth. Her saliva ran down and lubed her hand as she ensured that she stroked the entire length of his cock. Her frequent fantasies of being seduced by an older man had centered around having a big cock in her mouth and this man's cock didn't disappoint. It was bigger than any she'd sucked previously and he smelled the way a man should smell after a day of work.

Mia loved sucking cock and prided herself on her skill. She sank as much of his meat into her throat as she could before triggering her gag reflex. She eased off and continued to stroke his shaft. The pleasure his fingers were giving her pussy fed her desire to swallow his cum. She licked and sucked and stroked his cock, wanting to please him as he had pleased her.

Before long, he grunted in pleasure as he reached orgasm. His cock blasted spurt after spurt of his seed into her waiting mouth. She swallowed as much as she could, but also allowed some to run down his shaft so she could lick it up. She licked his cock clean, making sure she got all his cum.

Mia felt the man position his head between her thighs again and allowed him better access to her wet pussy in anticipation of another delicious orgasm. He took her clitoral nub between his lips and flicked it with his tongue before licking up the juices seeping from her cunt.

Mia caressed her breasts as pleasure began to build and flow through her body in response to her lover's tender licks and nibbles upon her pussy. The man proved himself much

more experienced in giving a woman pleasure than her previous lovers and showed real enthusiasm for ensuring his partner was fully satisfied. Mia was glad she had taken the chance on accepting this man's invitation and opening herself to the chance to experience the pleasures that an older man could provide.

Mia felt another orgasm welling up within her. It built and crested over her. She came again as her lover held her clit between his lips and flicked it with the tip of his tongue.

Mia's body contorted and thrashed as she rode the waves of her climax, then she went limp and flopped back against the sweaty sheets.

The man watched Mia's delightful breasts ride the undulations of her chest as her breathing returned to normal. The girl was fantastic. The reality of lying here in her bed with her was far beyond his fantasies of meeting and seducing the young woman he had seen in the grocery store.

Once she had caught her breath, she stroked her lover's cock back to full erection and prepared to mount him. She straddled his thighs and rubbed her pussy up and down his

thick shaft. Her slick pussy juices coated his rigid manhood.

She guided his hands to her breasts as she began to sink his cock into her cunt. She felt her pussy stretching to accommodate his unfamiliar cock.

Mia loved everything about sex and relished the sensation of fullness of a big cock filling her up, her lover's hands upon her breasts, the taste of his cum in her mouth. She began to work her pussy up and down this man's cock, feeling another orgasm beginning to build deep within her.

Mia fucked herself upon her lover's cock. Craving adventure and romance, she closed her eyes and imagined herself as Marion Ravenwood seducing Indiana Jones. Fucking him to earn his trust, hoping he'd bring her along on his next adventure, yearning to escape her boring suburban existence.

Having a big cock thrusting in and out of her pussy soon had Mia cresting toward a glorious climax. She came noisily and felt the man's cock pumping her cunt full of his hot jism.

Her body quaked and her pussy flexed in orgasmic release.

She flopped, spent, onto his chest. She breathed deeply, filling her nose with his scent.

He caressed her as she recovered. His cock had softened and receded from her pussy, but still she continued to lie upon him, not wanting to part.

"Can you spend the night?" she asked finally, hoping he could.

"No, I have to get home before my dog reports me missing."

He rolled Mia off his chest and onto her back, his shirt splayed out beneath her on her bed. He continued to play with her breasts and kiss her, also not wanting their time together to end so soon.

"If you like, I could take you out on a proper date tomorrow," he offered.

"Yes, I'd like that," she replied. "You, me and your dog can make a day of it."

She smiled up at him, already looking forward to whatever adventure the three of them could have together.

Still wearing just his shirt, she watched him dress and walked him to the door. He seemed resigned to driving home shirtless. An evening of passion with a horny teen girl and the promise of more the following day was well worth the loss of a shirt.

She embraced him at the door. "And to think this all started with a summer rain."

"Good things happen when it rains," he restated.

"Good things happen when it rains," she agreed as she kissed him one last time before he departed.

Mia leaned against the door after she closed it behind him. She reviewed the events of the evening in her mind, ordering her thoughts so she could record them in her journal.

She retrieved her clothes from the kitchen and returned to her room. Sitting cross-legged on her bed with her laptop, she began typing in the day's experiences. Occasionally she'd pause to smell the man's shirt or hold her panties to her nose as she remembered how wet she had gotten. Her nipples remained hard as she recalled each thrilling touch.

With the journal entry complete, Mia snuggled into her bed and savored the aroma of the man's shirt as she drifted off to sleep, perchance to dream of what adventures awaited her the following day.
